Case: 2:18-cv-00956 (JMA) (SIL)

Case Name: Panchitkaew v. Nassau County Police Department et al

Dear you're Honor,

Nassau County, New York is well known for her corruption from top to bottom. From Executive to a part-time custodian have been rooted this beautiful county in many approaches. Fortunately, they are protected by the Unfair County Laws and guarded by powerful County Attorney. In addition, Nassau County police (NCPD) enjoy typical immunity and hence many wrongdoings by them are usually prevailed, with no consequence.

Not only do I stand up against the Police (NCPD) but also the Police of the police (NCPD – Internal Affair). Nonetheless, what is the driven factor(s) that stimulate Sgt. Danzi to come to my premise uninvited and threatened me not to contact FBI is questionable. Two weeks later, troops of NCPD (more than ten officers) stormed into my house as if I am a felony suspect and dragged me forcefully to their Nassau Emergency Vehicle. Despite the fact that I have informed the arresting police that I suffered from Spinal Hernia Disc, and Shoulder's Rotator Cuff Tear, **PO 'ROBERT D TEDESCHI'** refused my notion and managed to squeeze the handcuff forcefully twisting not only my wrist but also arms that impacted/triggered such excruciating pain. The sole reason (given by the Nassau County Police Department was that **"There was a 911 Call from the Plaintiff claimed to commit suicide"**.

Upon **Initial Discovery**, PO 'Robert Tedeschi' was the arresting Officer for this False Arrest & Illegal Detained. Hence, I have forward this in the form of letter (and Fax) to Nassau County Attorney – Deputy Ben-Sorek respectively.

In regards to Constitution, Nassau County violates many aspects on Nassau Constituents. 911 Call would never be released under the County Law308 (4).

Along with this letter, I have attached the following Considerably Significant Evidences for your consideration:

- A screen shot of Nassau County Police – FOIL request, where it specifies **that copies of 911 will not make it available.**
- An Email response from Nassau County Police Department denied FOIA request for an Arrest Record.
- Frivolous-False Filing to Nassau County Social Service – Adult Protective Service.
- Excessively baseless (**no probable cause**) Traffic Citations result in 19 points in this Illegal Pull Over/Traffic Stop.

**RECEIVED**

**AUG 10 2018**

**EDNY PRO SE OFFICE**

- Regards The Actual Date of Arrest, Nassau University Medical Center (NUMC)'s discharge letter filled with ambiguous information [No Name, Date, and Missing Essential Data].
- A Complaint Letter to Federal Office of Postal Inspector-General pertains to the corruption of Nassau County Police & Postal Employee.
- FBI's Classified FOIA Request (Declassification of Information pertains to the incident on June of 2017).
- FBI Background Check indicating this False Arrest (On Feb 17, 2017) signifies the prohibition of Firearms Ownership [Title 18, United States Code (U.S.C.), Section 922 (g) (4)].

Annotation: I have to go this Route to retrieve this significant unfortunate record that destroy not only my Career but also my Constitution Rights

Dear Postal Inspection Office,

Despite numerous attempts to file an online fraud with USPS Postal Inspector, there is no response and/or investigation take place. In regard to the case: CA138021204, I only received general response from the USPS supervisor Steve Ficara [(516) 735-7343 [stephen.o.ficara@usps.gov](mailto:stephen.o.ficara@usps.gov)]. My complaint is regards an Ebay Transaction fraud, and mail tampered that involved local USPS employee/supervisor and Nassau County Police officer. This incident took place since 2015 and still considerately on-going issue. I'm writing this letter to express my concern pertain to the incident. A thorough investigation would highly be substantially practical. There are many victims in Nassau County of New York State that have their rights violated by local police with an illegal helping hand by Levittown Post Office. Please kindly see attached documents for further detail regards this Public Corruption and USPS – Levittown employee's misconduct.

Please kindly advise, should there be any further detail needed.

Thanks & Regards,

SUBJECT: Firearm Appeal  
National Instant Criminal Background Check  
System (NICS) Transaction  
Number (NTN)-100NJ68TG

Dear Mr. Panchitkaew:

This letter is in response to your appeal of the results of your firearm background check. You have been matched with a prohibiting record which contains a similar name and/or similar descriptive features. Your transaction's prohibition is under Title 18, United States Code (U.S.C), Section 922(g)(4): "A person who has been adjudicated as a mental defective or who has been committed to a mental institution." Please note that this standard may be met in a number of ways, including but not limited to:

- A formal ruling by a Court or other proper authority that an individual either lacks mental capacity to manage his or her own affairs or is a danger to self or others, due to mental illness, incompetency, condition or disease, or very low intelligence
- A finding, by a Court or jury, that an individual was not guilty of criminal charges due to mental incapacity or infirmity, or that the individual was guilty but mentally ill, or that such charges against the individual should be dismissed for mental health reasons
- An order of a Court or other proper authority directing an individual to receive treatment for a mental health condition, whether inpatient or outpatient, which for purposes of this statute constitutes being "committed to a mental institution"

In addition, please note that your agreement to the entry of any such order, ruling, or finding would not make the 18 U.S.C. §922(g)(4) prohibitor invalid.

If you are the subject of the prohibiting record listed below and wish to challenge the accuracy of the record, you should contact the agency holding the record for further information. If the agency has documentation which would show the record was inaccurate or

Mr. Marut Panchitkaew

that the prohibition was nullified, the agency holding the record should submit notification of the correction directly to the Appeal Services Team (AST) of the FBI Criminal Justice Information Services (CJIS) Division's NICS Section via facsimile at (304) 625-0535. Your NTN must be provided with the agency's notification. The agency should take the necessary steps to update the record to prevent future denials.

If the prohibiting information was correct at the time your NICS background check was conducted, but has since been resolved, your deny status will not change. The denial would be considered valid at the time of the check. If you are certain the prohibiting record has been removed or updated by the submitting agency, you are not prohibited from subsequent attempts to possess or receive a firearm.

If you do not believe you are the same person as the subject of the prohibiting record, you may contact the agency listed below. Please be advised that descriptive information can be limited based on varying factors such as system limitations, available descriptive information, and state laws minimizing the amount of descriptive data allowable for entry. If additional descriptors can be added to the record by the agency or the agency is able to provide more descriptive information to the AST to support your identity challenge, they should notify the AST via facsimile at (304) 625-0535. Your NTN must be provided with the agency's notification. The agency should take the necessary steps to update the record to prevent future denials.

To obtain further information relating to the prohibiting record, you should contact:

Phone: 518-549-1180  
Date Of Entry: February 25, 2016  
NICS Record Identifier: 1736447664

No further action will be taken until documentation is provided by the contributing agency or you notify the AST that the record has been updated.

Please ensure **all** correspondence/submissions contain your NTN. Failure to do so will only delay your appeal.

Dear Mr. Panchitkaew:

The State Commission on Judicial Conduct has reviewed your letter of complaint dated February 16, 2018. The Commission has asked me to advise you that it has dismissed the complaint.

Upon careful consideration, the Commission concluded that there was insufficient indication of judicial misconduct to justify judicial discipline. The Commission is not a court of law and does not have authority to review plea agreements or to change a judge's decision in a particular case.

Very truly yours,

## COMPLAINT OF JUDICIAL MISCONDUCT

- I. Pursuant to the Judicial Conduct and Disability Act and the Judicial Conference of the United States Rules for Judicial-Conduct and Judicial-Disability Proceedings,<sup>1</sup> Complainants file this Complaint against Judge Joseph Girardi of the Nassau First District Court. Judge Girardi has engaged in conduct that is prejudicial to the effective and expeditious administration of the business of the courts, undermines public confidence in the integrity and impartiality of the judiciary, and creates a strong appearance of impropriety.

This Complaint arises primarily from Judge Girardi's ruling on "*Timothy F Mischke*" for the following cases:

Judge Name: Joseph Girardi | Judge Court: Nassau First District | Judge County: Nassau County

Date: May 20, 2016 | March 6, 2017 | March 22, 2017 | August 14, 2017

Case(s) Name: CR-007093-17NA | CR-007497-17NA | CR-013623-16NA | CR-020573-17NA

Defendant Name: Timothy F Mischke | NYS ID: 2618077M | Birth Year: 1991

Despite the fact that "*Timothy F Mischke*" has long history of criminal misconduct, the judge still manages to reduce these FELONY charges into merely Misdemeanor. It is known that this criminal has a well-connection with Nassau County Police Department. Nonetheless, justice shall be served regardless of who he is, who he knows, who he works for.

1. The Judicial Conduct and Disability Act allows "[a]ny person alleging that a judge has engaged in conduct prejudicial to the effective and expeditious administration of the business of the courts" to file a complaint against the judge. See 28 U.S.C. § 351(a). To implement that Act, as amended, the Judicial Conference of the United States promulgated the Rules For Judicial-Conduct and Judicial-Disability Proceedings. Rule 3(h) defines "cognizable misconduct" as including "conduct prejudicial to the effective and expeditious administration of the business of the courts" and "conduct occurring outside the performance of official duties if the conduct might have a prejudicial effect on the administration of the business of the courts, including a substantial and widespread lowering of public confidence in the courts among reasonable people."

*"Timothy F Mischke"*'s charges need to be restored, or the case need to be re-trial. This is an interest not just for the victim but also the People's Republic of State of New York. Many people suffer from this criminal; Robbery, Attempt to murder, Class A drug trading, Car Vandalism, ..., etc. But due to his well-connection with Nassau County Police Department (NCPD), he managed to escape from his crimes till date. In essence this case, like many of his previous cases, are going to end with just a slap on the wrist, should the Judge continue turning a blind eye on this Criminal's Felony charges. The plaintiff, and many other victims will end up suffocating furthermore after this trial is over. There would be more victims coming forward and press charge this criminal, should Justice decisively serve. There are many cases within Nassau County where NCPD falsified evidences, produced false witnesses in order to obtain warrants from Judges. For instance, *"State Of New York v. Steve Valles"*, this case is an example of NCPD's retaliation made against Mr. Valles. Witnesses on this case are just police officers who have no previous knowledge, or know the defendant at all. Mr. Valles was a very good friend of mine. He was there with me whole day where the false allegation took place. NCPD never ask nor request me to present before the Magistrate for the inquiry. The case was dismissed by juries. *"Melis v. County of Nassau et al"*, false charge by NCPD. And the 43 Million dollars Won NCPD False Arrest Suit – *"JOHN RESTIVO DENNIS HALSTEAD v. CAROLANN HESSEMAN"*.

On behalf of People's Republic of State of New York, I am requesting a thorough investigation on this inappropriate conduct, unfairly charge reduction. Criminal shall never walk away for his crime.

- 
2. See Code of Conduct for United States Judges, Canon 1 ("... A judge should maintain and enforce high standards of conduct and should personally observe those standards[.]"). 5 The Judicial Conference's Commentary on Rule 3 states that the Code of Conduct for United States Judges may be "informative" in determining whether a judge has engaged in conduct "prejudicial to the effective and expeditious administration of the business of the courts." The Code "is designed to provide guidance to judges . . .," and federal judicial discipline decisions have cited and relied on the Canons. See, e.g., *In re Complaint of Judicial Misconduct (Paine)*, 664 F.3d 332, 335 (U.S. Judicial Conference 2011) (stating that the Judicial Conference adopted the Code to "provide standards of conduct for application in judicial-conduct and judicial-disciplinary proceedings brought pursuant to the Act. Commentary to Canon 1.
